
Join us as we give back to God a generous portion of what God has given us.

- The generous gifts of our members and friends help us to live into our mission: Loving God...Serving Others... Living Our Faith. These gifts are critically important to us, and to those who give.
- Many people say they feel personally rewarded by committing to an intentional program of giving to the church—that is, an annual pledge. They say that their commitment to giving is a spiritual discipline (like prayer and worship) that helps them feel closer to God, and more closely linked to this faith community, its work, and its ministries.

Living our faith

We are a member of the Episcopal Diocese of Upper South Carolina and the greater Anglican Communion. We celebrate the many gifts God has given us as we minister to the Aiken community and the wider world. We are thankful to be a church that is open to all. We invite you to develop your ministry within our parish.
